

# Support Gujarat Support Narendra Modi

**Gujarat Miracle is not an accident. It is the Vision of Narendra Modi and his ability to translate that vision into reality. Within 5 years he transformed Gujarat to become #1 state in India. Today Gujarat is fast becoming the second Singapore of Asia. For Narendra Modi to continue his program, he needs a strong mandate. Please spread the word and support him. His win is win for Gujarat and for all of India.**

## Modi Vision: 5 point Master Plan– Panchamrut Philosophy

**Gyan Shakthi,**  
Power of Knowledge

**Urja Shakthi,**  
Power of Energy

**Jal Shakthi,**  
Power of Water

**Jan Shakthi,**  
Power to People

**Raksha Shakthi,**  
Power of Security  
(Physical, Social, Economic)

- 100 % Villages have electricity for 24 hours. Turned State Electricity Board into a profit making professionally managed company. Turned Gujarat a Gas Based Economy with 2200 Km. Gas Grid w/biggest CNG/LNG infrastructure.
- Massive upgrade to infrastructure of Gujarat (4783 crores on Roads itself) resulting into the state to have First Class Infrastructure of 12 airports (1 international), 74000 Kms roads, 41 sea ports beckoning investors across the Globe.
- 11 New Universities, 400 new Colleges, 1.25 lakh new teachers, 38,000 new School Rooms and doubling of seats for technical courses. Drastic reduction in drop out rate (from 20+% to 3%) in Primary Education with emphasis on Girl Education. Donated all gifts (3 crores) for Girl Education. Knowledge Corridor from Ahmedabad to Gandhinagar.
- Interlinking of 21 rivers in states, 2.25 Lakh new water bodies to conserve water, near completion of Sardar Sarovar Project for water 500 Kms away. Reduced number of Villages depending on tank water from 4000+ to 185.
- World Class Governance where CM with higher Officials hear (and resolve) Public grievances every month, Karma Yogi Training to all Government Employees and School Teachers and Reflection Workshops (developing strategies) for higher officials of the state. Computerized Government offices in Cities, Towns and Villages for effective Governance.
- 128% increase in last 5 years (by 16 lakh metric tons) in agriculture products through schemes such as Agriculture Labs to Land transfer at Agriculture Festivals, Soil Cards etc. Held 227 Kisan Rathes (Mobile Exhibitions).
- Innovative schemes such Evening Courts and Nari Adalats reduced court cases that became a model for the whole country. Public/Private/NGO participation for providing pre-natal and ante-natal services to mothers from poor families that received Asian Innovation Award. Medically examined 10 million primary school children each year (admired by WHO).
